Dysart Council Request Gate Be Removed

At a meeting of Dysart council held on Monday of this week a motion was passed to the effect that the Boy Scout camp be instructed by letter to remove the gate across the Kennaway road as this is municipal property. This gate has been the subject of much controversy in the past and will continue to be so until it is removed.

By-law 61-13, being a by-law to close the road allowance on registered subdivision 367 was given first reading.

It was resolved that a draft plan of subdivisions of part of lots 16-20, conc. 14 in the Township of Havelock by Hayward Jones Co. Ltd. be approved as is and the Dept. of Municipal Affairs form 14 be completed and returned.

It was moved and carried that the council support the application of Titus and Stamp for p.c.v. and that the reeve appear as witness.

It was moved that the clerk write Frank Cowling, Hayward Jones and the Guilford Land Co. reminding them that in accordance with their agreements with the municipal service roads shown on their subdivision plan built but not as yet taken over by the municipality must be maintained in good condition.

After inspection and discussion by council a decision was made to do some maintenance work on the Burleigh road and allocate this road a portion of the winter works program.

Weather Report

September 22 - 27

Highest temp., 81 deg. Sept. 22.

Lowest temp., 41 deg., Sept. 27.

Average max., 74 deg. Sept. 22 to 26.

Average min., 57 deg. Sept. 22 to 27.

Total rainfall .64 in. Sept. 24 to 26.

Record Enrolment At High School

There are at present some 450 students attending classes at the Haliburton County District High School. In conversation with the principal, Mr. Frank Litt, he stated that this is an increase of 23 over last year. The principal stated that a leveling off from the heavy increases in attendances from year to year was now apparent.

Academic Classes In Night School

The increased interest in night school classes last year and the increasing demand for higher educational qualifications has led to the consideration of academic classes being offered in night school throughout the year. The academic classes would begin in early October and would continue throughout the school year when qualifying examinations would be written.

Almost any courses which are available in the day school could be arranged for evening classes if there is sufficient demand. This would include grades 12 and 13 subjects.

In order that a class be offered there would have to be a minimum enrolment of 15. These classes should not be confused with the regular night school program of woodworking, sewing, art, first aid training, etc., which will be offered on the regular basis starting in January.

The fees for the academic classes would be \$10 per subject for the season. Preliminary enrolment is being planned for the Tuesday evening of October 10 at the high school.

If you are interested in one or more subjects you are asked to come to the high school on Tuesday, October 10 at 8 p.m.

Minden Girl Receives Award

Miss Cairne McCarey A.R.C.T. has won her third scholarship from the Royal Conservatory of Music, Toronto. She is at present attending the faculty of music.

Haliburton Boy Injured Near Buckhorn

When returning from Peterboro on Friday evening last Briar Coneybeare of Haliburton received serious injuries when the car in which he was a passenger left the road.

It would appear that Briar along with Craig Gartshore of Minden and Bill Hellems of West Guilford were driving along the road near Buckhorn when a tire blew and the car overturned three times.

Gartshore and Hellems were uninjured but Briar had to be rushed to Peterboro Civic Hospital where he underwent surgery. We are glad to report that he is coming along nicely.

Cub Pack Begins 8th Season

The First Haliburton Cub Pack has begun its eighth year as a chartered group. This pack has had 24 to 30 boys between the ages of eight and 12 each year.

We would welcome any new boys from anywhere in the county to join our group. It is interdenominational and for the best interest of every boy in the area.

We meet at 7 p.m. each Monday in the cub hall, situated in the community park.

Mrs. Mabel Earle Passes On

As we go to press it is our sad duty to report the passing of a lady whom we imagine every citizen in this area looked up to with great respect. We refer to the late Mabel Earle.

Though we all realized that her condition was such that she could not recover, her going has cast a gloom over this community.

Halimar Installs Swim Pool

Halimar lodge on Lake Kashagawigamog is building a heated swimming pool, which will also double for a skating rink for their winter business.

In an interview with Bruce Henry of Halimar this reporter learns that the Halimar pool will be modernly equipped with automatic skimmers and filters which will keep the water crystal clear at all times.

Marion and Bruce plan on having the grand opening on Thanksgiving week end and keeping the lodge open later this fall due to the later color season, and their heated pool.

It looks as though this is one way to beat the water level differential at our resorts.

THE STANHOPE STORY

Life does not stop when a loved one dies nor does time stand still. Soon Thomas Mason's sorrow was turned to rejoicing by the birth of two more sons. The eldest, John, later settled along the Peterson while Alfred assumed the management of the homestead when the encroaching years slowed the steps of the lion of Warwick.

Before this happened Mason and his wife built up a homestead to be proud of on

(Continued on Back Page)

UNITED CHURCH SERVICES

The advertisement regarding the services of the Haliburton charge of the United church is in error.

It should have read holy communion at Haliburton at 11 a.m. and a joint communion service at 2.30 p.m. at Lochlin with the congregations of Ingoldsby and Lochlin uniting for this occasion.

HALIBURTON NEWS LETTER . . .

Haliburton, in common with Minden and Fenelon Falls and many other tourist centres held their civic holiday on Monday.

Civic holiday which is observed in the larger centres on the first Monday in August finds business in full swing so the custom of having civic holiday in September in a tourist area seems to work out most satisfactory. This is the first time locally that such a holiday has been observed in this municipality but we imagine that the custom will be continued from year to year.

Mr. Hillary Giles is presently building himself a new home. Finlay Contracting are in charge of the operations. Others building homes are

Harold Bolender, Roy LeBoutillier and Cecil Bailey.

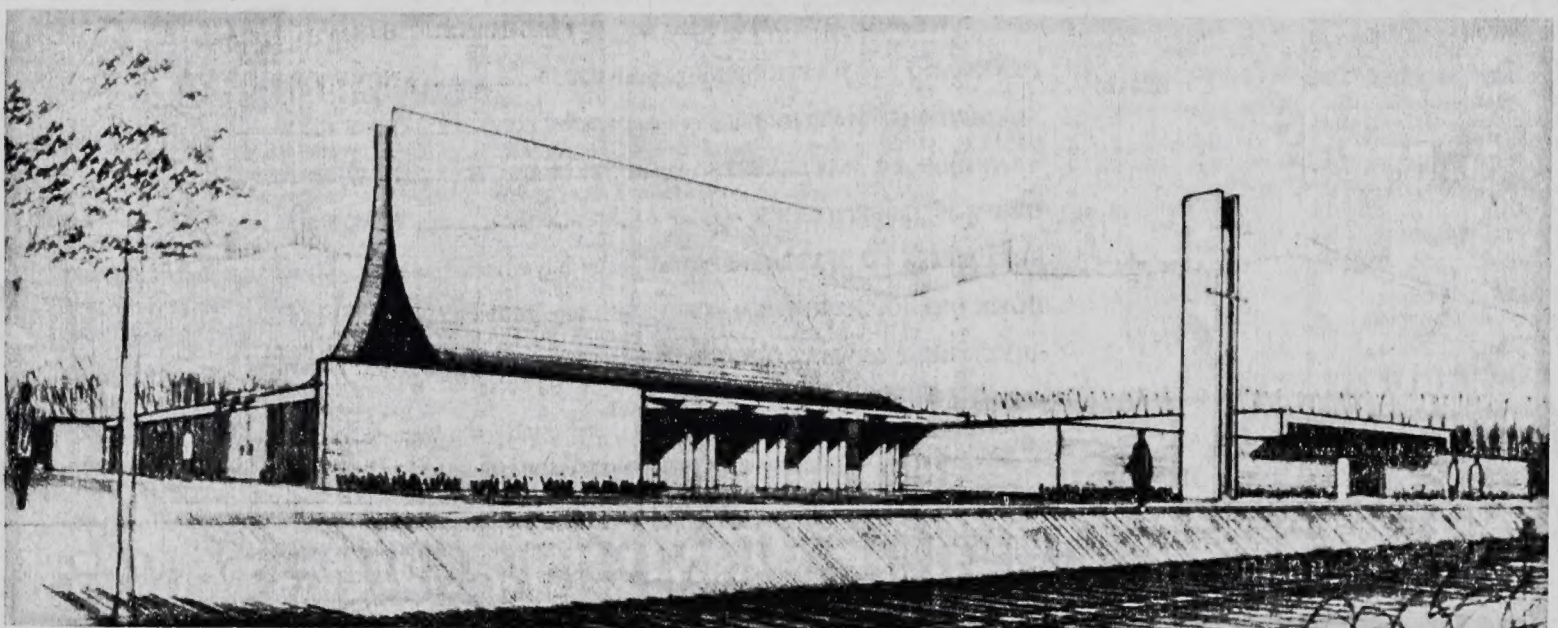

Mr. and Mrs. Jack McKay are, at time of writing, enjoying a short holiday and we notice that their business is being carried on by two people who seem right at home in the store, Mr. and Mrs. Coyle Downer.

Among the members of that ever expanding organization, the Haliburton Quarterback Club, who attended the Argo-Ottawa football game in Toronto were Messrs. Dick Clarke, Ron Curry, Gerry Woods, Eric McConnell, Dr. H. E. Good, Mr. and Mrs. Gerald Dawson and Mr. and Mrs. Don Campbell. We learn that a number of club members are

going to Ottawa for the Ottawa-Hamilton game.

Residents learned with deep regret the sudden passing of Mrs. Florence Ptolemy at the Joseph Brant Hospital, Burlington, on Tuesday, September 26. The late Mrs. Ptolemy and her husband band Roger have been summer residents here for many years. We understand that death was due to a heart condition.

Rev. Canon and Mrs. J. S. Harrington have had as their guests for the summer at their cottage on Soyer's Lake their daughter, Mrs. Mary Carnell and their granddaughter Philippa who returned to their home in England last week.

ABOVE is shown a copy of the architects drawing of the proposed Haliburton United Church. We are pleased to say that the architect in this case is a Haliburton boy,

namely Grant Robertson, son of Mr. and Mrs. Moss Robertson.

The design of this new place of worship can be described as ultra modern. If constructed it will surely be a building of which every citizen of Haliburton can look on with a certain amount of pride.

The present church was built by the Methodist congregation in 1912 and in 1918 the Presbyterians joined the said congregation and it was known as the Union

church. Of course in 1925 when church union became effective across Canada it assumed the name of the United church.

MUNICIPALITY OF DYSART ET AL NOTICE TO DOG OWNERS

Notice is hereby given that after Oct. 1st of each year a fee of \$3.00 may be charged for a licence for each male dog, and \$5.00 for each female dog within this Municipality.

G. H. WINDSOR, Clerk.

ANNUAL THANKSGIVING TURKEY DINNER

ST. PETER'S ANGLICAN CHURCH, Maple Lake
will be held on

SATURDAY, OCTOBER 7—4 to 7 p.m.
in the church basement.

Admission: Adults \$1.45. Children 6-12 years 75c

OBITUARY

Dolford Priest

Mr. Dolford Priest passed away on September 13, 1961 in his 81st year at the Red Cross hospital in Haliburton.

Mr. Priest rested at the John Welch & Son funeral home in Minden until Friday, September 15, thence to West Guilford Baptist Church for funeral service. Rev. Stuart Wilson from the gospel chapel conducted the service speaking words of comfort to the bereaved family.

Dolford Priest is survived by his wife Mary, one daughter Hazel (Mrs. Charles Titus), three sons, Lloyd, Gordon, of West Guilford and Norman of Toronto.

Pallbearers were Messrs. Arthur and Ira Barry, Howard Morrison, Kenneth Sisson, Brant Stamp and Bert Bryant.

Interment was made in the Baptist cemetery.

EAGLE LAKE

Miss Muriel Allport, who has been at her cottage in Eagle Lake for the summer, has returned to Toronto.

A speedy return to health to Mrs. S. Nilas ill in hospital in Toronto following surgery, and to Mr. Wm. Breckenborough presently in Haliburton hospital following a heart seizure.

Mr. and Mrs. Leonard McCauley of Coe Hill spent a few days with Mr. and Mrs. M. McCauley.

Among those who spent the week end out of the village were Mr. and Mrs. Harry Hobden and family in Oshawa; Mr. and Mrs. Walter Besse in Watertown, N. Y.; Mr. and Mrs. B. Sisson in Kingston; Mr. and Mrs. Cliff Barry in Peterboro; Mr. and Mrs. Lewis Roberts and Mr. Walter Hobden in Toronto.

Sympathy to Mrs. W. Breckenborough in the death of a brother in Ottawa during last week.

Mr. and Mrs. Ray Cruickshanks left last week to visit their son and family in Churchill, Man., as well as other relatives in Saskatchewan.

Miss Sandra Roberts spent the week end at home.

LOCHLIN

Mr. and Mrs. Les Fielding of Cannington were recent visitors with Mr. and Mrs. Douglas Carpenter.

Mr. and Mrs. Man. Minaker and Mr. Russell Minaker of Lindsay called on Mr. and Mrs. Bert Hicks last Sunday.

Mr. Leonard Burk of Churchill spent last week end with Russell Burk.

Mr. and Mrs. Gerald Hicks, Mr. and Mrs. Will Dugan and Mr. and Mrs. Carl Dugan attended the Lindsay exhibition on Saturday.

LETTERS to the EDITOR

Dear Sir:

May I through the medium of your paper, reply to the many enquiries as to why a driver examination centre cannot be located in the village of Haliburton.

In response to many complaints that applicants must travel to Minden for such tests and in view of a decrease in the number of instruction and original operator licences issued from my office, coupled with rumors that we have discontinued to issue such licences, I wrote to the registrar of motor vehicles on two occasions regarding this matter, explain-

ing that in my opinion Haliburton was the centre of population and the need for an examination centre to be located here.

The registrar replies, in part, "that driver examination centres and traveling examination points were located in certain towns because of the maximum population within a reasonable area. Minden was selected in your area because of these factors and its geographical location to other driving testing facilities."

"The department would like to conduct driver examinations in every urban centre, however, I am sure you

will agree this service must be related to cost. Under present conditions I regret it does not seem economical or feasible to establish a centre in Haliburton."

It would therefore seem that no such examination centre will be located in Haliburton, however, I would like to point out that this office is open six days a week and that we shall continue to serve the public to the best of our ability.

Yours truly,
George Brennan,
Haliburton, Ont.

LOCHLIN

Mrs. Orville Hicks, Mrs. Murray Wruth and family called on Mrs. John Francis of Gelert on Sunday evening.

DONALD

Mr. and Mrs. Harley Fader and family, Mrs. Dave Johnson and Mrs. Chas. Morrison of Maple Lake were visitors on Sunday to Santa's Village at Bracebridge.

Mr. Ronald Pasquino and Miss Barbara Pasquino of Toronto were week end visitors at their parent's home Mr. and Mrs. Ralph Pasquino.

Mr. and Mrs. Steve Earle and daughters Jean and Edith of Wilberforce were visitors on Sunday at the home Mr. and Mrs. Roy Bates.

Mr. George Shaw is confined to the Red Cross hospital in Haliburton with pneumonia. It is reported he is on the mend and expects to be home shortly.

COMING

SEPTEMBER 29th!

A New World of Worth from Chevrolet!

You'd expect Chevrolet to do it — and it has! Traditionally Chevrolet has been the leader who so deftly pinpointed the needs of Canadian motorists—and then so aptly developed the right cars to fill those needs! Now Chevrolet has done it again! From its his-

tory of achievement in engineering perfection, mechanical durability and luxurious comfort, Chevrolet takes another significant step into the future. And now in 1962, Chevrolet invites you to enter a new World of Worth.

A GENERAL MOTORS VALUE

'62 Chevrolet—Rich new styling with Jet-smooth ride

Chevrolet Bel Air Sport Coupe

Chevrolet Impala Convertible

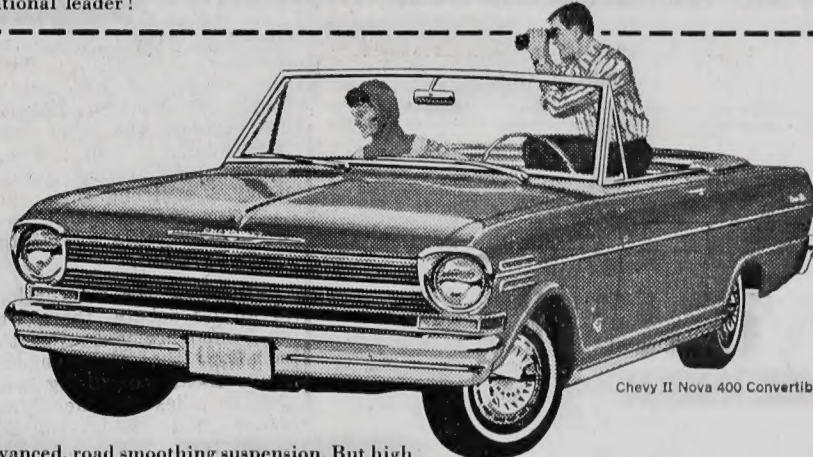

Here's all the car anybody could want. Fresh-minted style that comes to a clean-sculptured climax in the new Impala Convertible. A road-gentling Jet-smooth ride. A new choice of V-8 skedaddle. New Body by Fisher interiors that give wide berth to feet, hats and elbows. Beauty that's built to stay beautiful — right down to new front fender under-skirts for extra rust resistance. And here's more than ever to please you from the make that pleases the most people. Impalas — that take the high price out of feeling luxurious; Bel Airs — that ride as smooth as they look; Biscaynes — that sacrifice not one iota of comfort as they go their thrifty way. See your Chevrolet dealer and talk over this newest version of Canada's traditional leader!

CHEVY II — A TOTALLY NEW LINE OF CARS

It's the car just about everybody's been trying to build. But it remained for Chevrolet to come through with it. Here are all the time-tested virtues you expect from Chevrolet plus surprises you've never seen. A full line of saucy new-size models built a new way for easier service and maintenance. Thrifty? Only four cylinders to feed, or six if you like extra scamper. Roomy? Sedans seat six solid citizens. Price? A most pleasant surprise (with the heater-defroster at no extra cost!).

Chevy II doesn't stint on anything — except gasoline! Its power plants both have hydraulic valve lifters and an 8.5 to 1 compression ratio. There's Chevrolet's famous Powerglide automatic transmission available. And there's a suspension system that includes Mono-Plate Rear Springs — part of an advanced, road smoothing suspension. But high on Chevy II's list of virtues is the comfort and style that until now has been known only in cars costing much, much more!

And it's yours to enjoy in all three series of Chevy II — in all nine models. There's the Chevy II 100 series — beauty built for every budget. The Chevy II 300 — function with a flair in a family car. And the Chevy II Nova 400 series — sensibility at its Sunday-best. Choose one — and you get everything you want in a car — including the dollars-lower price tag!

Chevy II Nova 400 Convertible

Chevy II 100 4-Door Station Wagon

ALL THIS IS YOURS IN A CHEVY II

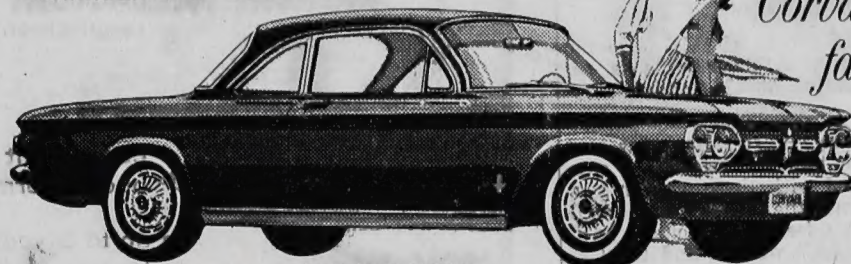

- Body by Fisher — solid strength and lasting value
- Choice of 2 Power Plants—a frugal four or almost-as-thrifty six
- Choice of 2 Transmissions — 3-speed Synchro-Mesh or Powerglide
- Industry-new Suspension System — Mono-Plate Rear Springs never require lubrication
- Power Features — Steering and brakes optional on all models

Chevy II 300 4-Door Sedan

- Unique Unitized Construction — two box-like sections for extra strength
- Exclusive Interiors — Handsome upholstery in a choice of colour combinations

Whitewall tires & wheel discs optional at extra cost

Corvair Monza Club Coupe

Corvair—sports car spirit... family car function

Corvair Monza Station Wagon

You'll never find joyful excitement wrapped up so carefully with economy, elegance and sports car dash as it is with Corvair for '62. There's the sure-footed agility that stems from Corvair's rear-engine and weight distribution—complete with its gas-saving ways. There's the sport appeal

of bucket seats* — and there's the kiddies' romping room that comes when the rear seat is folded down**. Certainly, the nine models of Corvair for '62, including the new Monza Station Wagon, combine the best of family comfort with a sports car flair — and an eye on economy!

*Standard on the Monza Club Coupe, Optional at extra cost on the Monza 4-Door Sedan and the Monza Station Wagon.

**Optional on 500 and 700 series coupes and sedans.

Pen Pictures Of Parliament

by C. W. Hodgson, M.P.

This fourth session of the 24th parliament, the longest on record in Canadian history in the number of sitting days, is expected to wind up between September 30 and October 7.

With November to be left free to the members of parliament and senators, the present intention of prime minister John Diefenbaker is that the fifth—and probably the last pre-election session—will meet in December. The throne speech would be wound up before the Christmas recess and possibly some legislation passed. A heavy legislative program is indicated in anticipation of a general election early next summer or next autumn.

Since parliament returned to its duties in Ottawa on Thursday, September 7, foreign affairs and national defence have been to the forefront in holding the spotlight.

Wrapping up for the government the three day foreign affairs debate, Prime Minister Diefenbaker said internationalizing of Berlin under the United Nations is Canada's proposal to end the critical east-west deadlock. He said the U.S. used undue haste in resuming nuclear testing and in any case should have consulted her NATO allies before doing so. The prime minister also criticized the uncommitted nations for their tepidity at Belgrade for failing to censure Russia in forthright terms for her resumption of atmospheric nuclear blasts.

He called for propaganda offensive in the U.N. against Russian imperialism which has subjugated 100 million people in Eastern Europe. Furthermore, the prime minister confirmed that the cornerstone of Canadian foreign policy is a strong U.N., support for NATO and expansion and development of the Commonwealth.

Preceding the international affairs debate, there was an announcement in the commons that the Canadian government, consulting with NATO allies on the Berlin crisis and Soviet nuclear bomb testing, was strengthening defence forces and measures both at home and abroad. The prime minister made the announcement supplemented by defence minister Harkness.

These were the chief ones on the three-front mobilization of forces, and they were listed by the prime minister: over all armed forces strength up 15,000 from 120,000 to 135,000; the NATO force, army brigade group and air division up 2,000 from 12,000 to 14,000; the army's militia for civil defence up 100,000 from 42,000 to 142,000.

The cost of this move for the first six months is estimated at \$35 million.

In the defence debate, defence minister Harkness said the military was being supplied with three weapon systems, the Honest John surface missile, the Bomarc anti-aircraft weapon and the CF-104 aircraft, with a nuclear capability. He emphasized that the military role of these systems can in no way be compared to such strategic nuclear weapons as are maintained by the U.K., the U.S. and the Soviet Union. As to whether the government is going to decide to accept such nuclear weapons, the minister flatly declared he was not making any statement one way or the other at this time.

AT REST

Tolomy—Florence Secord at Joseph Brant Memorial Hospital, Burlington, on Tuesday September 26, 1961, Florence Secord Redhead, beloved wife of Roger Hall Tolomy of Milton, dear mother of Douglas H. of Milton, grandmother of Suzanne, dear sister of Doris (Mrs. N. J. Lockhart) St. Catharines and Jack C. Redhead of Niagara-on-the-Lake. Funeral service was held in Grace Anglican Church, Milton today. Interment Evergreen Cemetery, Milton.

IN MEMORIAM

Packard—In loving memory of my husband and father, Edward Chas. Packard:

Two years already have gone by

And the time for some of us is nigh

But we toil each day and remember too

That some day we'll be mourned, for just like you

So God bless you keep until when

Sometime somewhere we'll unite again.

—Your loving wife and children.

Hawkins—In loving memory of my dear brother, Clifford I. Hawkins, who passed away one year ago September 28, 1961:

One by one they go before us,

They are fading like the dew, But we know they're waiting for us.

They the good, the fair, the true,

They are waiting for us only Where no pain can ever mar. Dear one you who left us lonely

Watch us through the gates ajar:

There a father, there a mother

There a sister and a brother

Gone within those gates ajar.

—Lovingly remembered by sister Mildred.

MINDEN

The Minden branch of the Red Cross met in the board room last Friday with nine members present and Mr. Bob Herlihey presiding.

The bills were presented and Mrs. Gracie was to pay these. There is some need for small children's used clothing and these can be turned in at the Parks.

The new flag was on display and this will go up right away. The work to be done in the attic was approved and will be done very soon. There was a letter read by Mrs. Graham containing a donation and she was also to write a letter regarding the return of articles to the

loan cupboard.

The hospital report was given by Mrs. Wade in Mrs. McKay's absence. July admissions amounted to 27, births 2, hospital days 134, outpatients 151 and x-rays 86. August was, admissions 19, births 4, outpatients 144, x-rays 88.

No date has been set regarding the blood donor clinics, but there was a good response from the letters written and all will be ready as soon as notified.

Mr. Irwin will be in charge of repairs to a pipe which still is leaking.

The meeting then adjourned.

Mr. and Mrs. Wayne Anderson, Sherry and Larry spent a holiday with Mr. and

Mrs. Don Crowe and Steven at a cottage near Bobcaygeon.

Patients at the local hospital early this week were Mrs. Burk, Mrs. Dora Brown, Mr. Piper, Mr. Dalt Hogg, Mrs. Barbara Callagher, Mrs. Shirley Hill and Mr. Wayne Stuart.

The Women's Catholic League had their first card party Monday night at the Joe Dollo's and a good crowd enjoyed a very good time. Winners included Mrs. E. Wruth, John Clarke, Earl and Flo Hewitt, Anne Dawson, Chris Dollo and Denny Trepanier.

Mr. and Mrs. Irvin House and Mr. and Mrs. Hatkoski spent a week's holiday visiting friends and relatives.

An executive meeting of the Minden ski club was held last Monday night and the club is looking forward to a successful season with a large membership. Plans were discussed for a ski rally dinner with movies, to be held during October.

Mr. and Mrs. J. Earl Palmer are very happy to announce the arrival on September 22 of another chosen son, John Donald, born August 27.

Wedding's of Local Interest

Burk - Maidens

On a beautiful day in fall, Norma Jane Maidens, daughter of Mr. and Mrs. Norman Maidens was united in marriage with Russell Neil, son of Mr. and Mrs. Russell Burk of Lochlin at St. Paul's Anglican Church with Rev. Thomas Gracie officiating.

Given in marriage by her father the bride wore a floor length gown enhanced with sabrina jeweled neckline delicately scalloped on a chantilly lace bodice and accented with long lily pointed sleeves. The fully bouffant skirt of tulle over taffeta was worn over many crinolines and dotted with matching lace appliques. Her circular crown of seed pearls and crystals was caught by a finger tip veil of silk illusion, and she carried pink sweetheart roses on her white Bible.

Her maid of honor was Miss Sheila Hogg of Minden wearing maize silk organza, enhanced with an applique shirred neckline and complemented with a fully bouffant skirt and a matching crown and shoes, and carried bronze and yellow mums.

The bridesmaids were identically gowned in moss green silk organza and carried yellow and white mums, and were Miss Sheila Reynolds, Miss Patricia Ann Maidens and Miss Peggy Hewitt, all three of Minden.

The best man was Mr. William Austin of Minden and ushers were Joe Cox of Minden, John Peacock of Gelert and Ron Burk of Lochlin, all wearing dark trousers with satin stripe and matching satin cummerbunds, white jackets with red boutonniere.

Reception for the happy couple was at Birch Point Lodge, Haliburton, with the bride's mother receiving in emerald green sheath dress of wool and satin trim, with white and black accessories assisted by the groom's sister, Mrs. George Hicks, wearing blue nylon and blue and white accessories and corsage of yellow roses.

For her honeymoon the bride chose a soft wool winter white suit with melon accessories and the motor trip will be through New York state. On their return this couple will reside in Minden.

Guests were present from Cameron, Gelert, Lochlin, Haliburton, Donald, Lindsay, Toronto, Clinton, Zurich and Hamilton.

Hamilton - Dennison

Rev. Thomas Gracie officiated at the wedding of Linda Lola Marilyn, daughter of Mr. and Mrs. Wilbert D. Dennison and Leonard Brad-

ley, second son of Mr. and Mrs. Leonard James Hamilton, in St. Paul's Anglican Church, Minden on September 9.

Given in marriage by her father, the bride was a floor length gown of white brocade with bustle and bow. Her veil, embroidered with white roses, was held by a pearl tiara and she carried red roses.

For her maid of honor she chose her sister, Mrs. Betty Trumbull in green lace, rhinestone tiara and she carried a bouquet of mums and white florets. Her bridesmaids were Mrs. Ayleen Crawford, Miss Pennay Dennison, Miss Gloria Jean Hamilton, all wearing similar lace gowns of light lilac, blue and lark lilac and carrying similar bouquets. Flower girl was Miss Beverley Ann Prentice in a green dress and carrying a basket of white florets and mums and wearing a rhinestone tiara.

Best man for his brother was James Hamilton and ushers were Murray Crawford, Allan Arbuthnot, Lionel Walker, Alvin Taylor and Beverley Gartshore.

Mrs. Don James played selections on the organ during the ceremony and afterwards.

The reception was at the Haliburton Legion hall and there the guests were greeted by the bride's mother in turquoise and a red corsage and black accessories, assisted by the groom's mother in a blue dress and white corsage with black accessories.

For the motor trip to eastern Ontario the lovely bride chose a blue suit and the happy couple are now residing in Minden.

Out of town guests were from Toronto, Peterboro, Lindsay, Napanee and the Minden-area.

Barry - Schell

In a setting of white and mauve gladiolas which banked the altar of the Lakeside Baptist Church at Haliburton, Friday, August 25 at 4 p.m., the Rev. John Smith united in marriage Neva Marlene, youngest daughter of Mr. and Mrs. Arthur Barry of West Guilford and William Elwood, second youngest son of Mrs. Ida Schell and the late Charles Schell.

Given in marriage by her father, the bride looked radiant in a ballerina length gown of white silk organza over taffeta. The pastel tinted lace trim on the scalloped neckline was repeated on the bouffant skirt. Her shoulder length tulle veil was crowned with a petal cap and she

wore a single strand of traditional pearls and carried a cascade of white stephanotis with a white orchid.

The bride was attended by her sister, Mrs. Naida McKay, matron of honor, wearing a street length dress of lilac nylon with a crinoline skirt and lace trim. She carried a nosegay of mauve and white mums and her clip bow headdress matched those of the bridesmaids, Miss Beryl Barry, cousin of the bride and Miss Anne Schell, sister of the groom, who chose similar gowns and carried white baby mums.

The charming flower girl, Miss Glenna Barry, niece of the bride, wore white lace and nylon and carried white and mauve mums.

Mr. Lyle McKay of Huntsville acted as groomsmen and the ushers were Mr. Richard Schell, youngest brother of the groom and Mr. Wilfred Barry.

During the signing of the register Mrs. Margaret Sisson sang "O Perfect Love" accompanied by Mrs. John Smith, organist.

Following the wedding ceremony the bridal party drove to Lochaven lodge at Maple Lake. At 6 p.m. the mother of the bride, Mrs. Arthur Barry, received in a gown of blue printed silk with powder blue organza trim and white accessories. Her white rosebud corsage matched that of the groom's mother, Mrs. Ida Schell who assisted in a printed dress in autumn shades of white, green and rust with white accessories.

Their wedding dance at the Canadian Legion hall at Haliburton that evening was widely patronized by the many friends of the popular young couple.

For a honeymoon through the Collingwood and Midland section of western Ontario, the bride chose a going away suit of green and white checked linen with white accessories.

Mr. and Mrs. Schell are living at Whitby while the groom attends the Provincial School of Training at Toronto from which he will graduate as a diesel mechanic.

New Iron Fireman CUSTOM Mark II oil furnace
pays for itself in short time—burns absolutely clean

This 7-room Portland home is one of the many in which the installation of the unique new Iron Fireman CUSTOM Mark II oil furnace has resulted in outstanding fuel savings and new comfort, compared with old-style heating. Here the oil consumption in the previous year was 1441 gallons, but with the CUSTOM Mark II it was reduced to 803 gallons—a whopping big saving of 638 gallons—or over \$90.00. The secret is that the CUSTOM Mark II oil furnace, with

VoluMetric firing, supplies its own forced draft. It operates without chimney draft. This means 100% combustion; with no soot, no smoke—and remarkable fuel savings. There's nothing else like it on the market!

Why don't you see how much this oil furnace can save for you. There's no obligation and no charge for a complete heating survey. Don't waste precious fuel dollars this winter. Instead enjoy wonderful indoor comfort at new low cost.

*Other users from coast to coast report savings ranging up from 18.1%.

MINDEN W.I.

The first meeting of the fall was held on Wednesday, September 20 at the home of Mrs. Fred Wright with 15 members and two visitors present.

The reports were given by the secretary and treasurer and the bills to be paid right away.

After some discussion it was decided not to have a bus trip this fall to see the leaves but all can be thinking of another one next spring.

Mr. Booth is to receive a letter of appreciation for installing the gas burner and donating the gas as well.

Mrs. Noice gave a very interesting and informative paper on natural gas and its products and uses and some to come in the future.

The delegate to our area convention is to be Mrs. Noice if it is convenient and she will stay with friends and attend the sessions. The resolutions were read and voted upon and the list given to Mrs. Noice for use at the convention.

Plans were made for a card party to be at Mrs. Harry Welch's with all members to turn in a prize at Mrs. Wm. Welch's home wrapped and labeled, so these may be used during the winter.

The next meeting will be at the home of Mrs. Will Welch in the evening.

A delicious lunch was served by the committee.

ST. GEORGE'S SENIOR W.A.

On Tuesday, September 19 the first meeting of the fall season of St. George's Senior W.A. was held at the home of Mrs. Roy Howe with 13 members present.

In the absence of the president, vice president Mrs. C. W. Hodgson chaired the meeting. All joined in the litany from Living Message.

Mrs. Pearsall read the scripture lesson from St. Matthew 5.

The minutes of the previous meeting and treasurer's report were read and accepted.

A contribution toward a life membership for Mrs. J. Long formerly secretary treasurer of the extra-cent-a-day was sent to Toronto.

Plans for the celebration of the 50th anniversary of St. George's W.A. were discussed and a committee formed to meet with a committee from the evening branch of the W.A. to arrange for same.

Members donated money instead of summer cooking sales. Pledge funds and other collections were taken and several members bought prayer books.

Plans were made for a rummage and bake sale in October.

Mrs. Hodgson closed the meeting with prayers for our sick and absent members and benediction.

A social half hour was enjoyed, with Mrs. Tolbert Johnston, Mrs. Mendal Smith and Miss Williams assisting the hostess.

HALIBURTON UNITED CHURCH W.A.

An enjoyable and profitable time was had when a large group gathered at the home of Mrs. Alvin Walling for the September 21 meeting of the W.A.

The president, Mrs. J. A. Robertson presided and was assisted by the secretary, Mrs. M. McKnight.

The meeting was opened with a call to worship, theme hymn and prayer.

Mrs. W. R. Curry ably conducted the devotional period. The topic was, "Jesus Christ, the Light of the World in the Church's Service."

The scripture was read from St. Matthew 6:24-34 and her short address was based on the text "no man can serve two masters." When "things" take over first place, there is little room for God, even if we do lip service on Sunday and occasionally during the week. Slowly "things" push God out; faith in an unseen

world evaporates; trust in love and righteousness gives way to trust in power, and wealth and force.

During this service Mrs. John Wilkinson rendered a beautiful solo, "How Great Thou Art." Mrs. Curry gave a reading on thanksgiving. Hymns "Praise My Soul" and "O Jesus I Have Promised" were sung and worship closed with prayer.

Following the roll call the minutes of the previous meeting were read and adopted.

The treasurer, Mrs. Wes. Baker, presented a good report. Mrs. R. Johnston, cheer convener, stated several house calls had been made and several get-well and sympathy cards sent out.

Due to a number of reasons, the Christmas cards with picture of interior of the church could not be procured.

Plans were made for attendance at the fall rally of Group 6, Minden United Church. Mrs. L. Pritchard kindly invited the next meeting to be at her place.

CARNARVON

(Intended for last week)

Mr. Craig Windsor and Mr. Murray Burton are on a motor trip to the west coast.

Ray McKay and Murray Harrison were visitors in Toronto last week.

Mr. and Mrs. C. P. Rogers are taking a trip through southern Ontario.

Glenda Medley has returned to Toronto for the winter where she will take her second term at teacher's college.

The Carnarvon bowling league began their fall and winter season on Thursday and are looking forward to more of the usual fun and sport.

John Toye of Bronte was home for the week end. John is driving a new Volkswagen.

Mr. Ed. Harrison was a visitor in Gravenhurst last week.

Dysart Home And School

The first Home and School meeting of the year opened with a most informative talk on careers in radio and television.

Mr. M. Best of the high school staff introduced Mr. Charles Tierney of Barrie's CKVR-TV. His speech began with emphasis on the fact that parents and students alike should be made aware of the great variety of jobs to be had not only in broadcasting but in many other fields as well. He proceeded to explain the specific jobs at broadcasting stations. These begin with the manager, his assistant, the sales manager, his assistant and

two local sales managers.

Opportunities for a wide variety of skills are to be found in the following list of jobs: program manager and committee, production manager, announcing staff, control room, clerical staff, copy department and script writers, traffic department, photographers and artists, film editors, audio and projection room staffs, research, studio workers who set up the lights, do the carpentry and set the floor arrangements.

For training in broadcasting a Ryerson course or a university degree are most desirable. Mr. Tierney spoke of senior matriculation as a prerequisite. Subjects most useful to those interested in

this field are English, one other language, some mathematics and two or four sciences. An intelligent insight into world affairs is also of great benefit.

Those seeking this type of work are given careful consideration if they have a natural flair for it, but perhaps not sufficient education.

The speaker closed after several questions from the floor and thanks was extended by Mrs. Bruce Henry.

The business followed two beautiful piano selections by Bill Gliddon.

Mrs. N. Nimigon reported on the sale of articles whose proceeds of \$257.58, go for the benefit of retarded children. She thanked Mrs. Geo. Elstone for her help in this

regard.

A rousing discussion took place before adjournment regarding attendance at our meetings. It was suggested that we are too well satisfied with conditions because they are good, and not anxious enough for improvement. The idea that we have a panel discussion soon was favorably received.

The meeting closed with a reminder that Mrs. Miller will be at next month's meeting to speak about work with retarded children and that a film on librarian work will be presented by Mrs. Stan Hill.

MUNICIPALITY OF DYSART ET AL

PUBLIC NOTICE

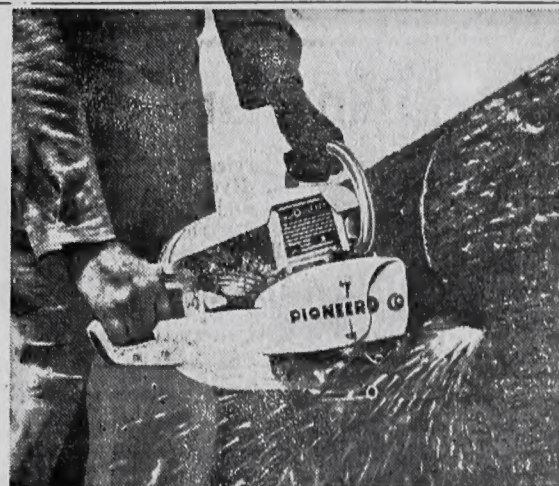

ROAD CLOSINGS

Notice is hereby given that first reading has been given by the Council of the Municipality of Dysart et al on Sept. 11th, 1961 to close and stop up the following portions of road allowances according to the original crown survey as provided for by Sec. 459(1)(c) R.S.O. 1960. These by-laws will be given further consideration at the meeting of the Council in November, and unless sufficient opposition is presented before Council they will in all probability be finally passed and signed. Anyone who deems his property will be prejudicially effected by the closing of any one of these parcels will please present his objection in writing to the undersigned on or before November 3rd.

- (1) A portion of the open road allowance lying between Lot 4 Con. IX and Lot 4 Con. X in the Township of Dudley, and between the travelled road leading to registered Subdivision No. 335 and the open road allowance along the shore of Drag Lake.
- (2) Two portions of the road allowance according to the original crown survey between Lot 4 Con. VII and Lot 4 Con. VIII in the Township of Harcourt, one portion being approximately 304 feet long, the other 278 feet.
- (3) A portion of the road allowance between Lots 10 and 11 in Concession VI in the Township of Harcourt, the said portion being 760 feet more or less in length.
- (4) That portion of allowance for road on registered subdivision No. 367 in the Township of Havelock lying adjacent to Lots 26 and 27 in said subdivision.

Survey plans of the above road allowances may be seen at the Municipal Office in Haliburton.

G. H. WINDSOR, Clerk.

(Continued from Page One)

their 100 acres. The produce from his well tended fields filled to overflowing the larger barn which he built in 1882. The frame house which in 1870 replaced the log cabin is still sound. One of its doors is a single wide pine board probably sawn from a log cut at the Buck Slide mill.

As a horticulturalist, Thomas Mason had few rivals. At one time he experimented with nearly 40 different varieties of potatoes. In his declining years most of his time was devoted to gardening and he carried off a formidable array of first prizes for fruit and vegetables at the Minden fair.

That "one is nearer God's heart in a garden than anywhere else on earth" was Thomas Mason's philosophy. The rainbow array of blossoms he created beside the Mason home has gladdened the eyes of all beholders for many years. That it did not grow by itself is attested to by the blades of his three hoes which were worn thin by constant usage.

His garden continued to be his chief source of pride until his death on December 14, 1932, at the age of 103 years, 10 months, still in complete command of all his faculties. His doctor claimed that there was nothing organically wrong with him. His heart was just too worn out to beat any longer.

There is a fine monument above the grave of Thomas Mason in the United church cemetery at Maple Lake but a memorial more befitting Boshkung's patriarch stretches for more than a mile across the fields he loved—the fences he built stone by stone with his own hands.
